Pershore Riverside Centre – Wheelyboat

PRC are the proud owners of a brand new Wheelyboat. This is a purpose built craft designed for ease of access for all (the front drops down like a landing craft) so people of any ability can easily get on board, and it even takes wheelchairs.

Available for groups, families and individuals.

Prices starting from just £50 per session.

Seats up to 10 people and fully equipped to take wheelchairs (up to 3 wheelchairs)

Sessions run from the Pershore Riverside Centre – where cars can access our riverside pontoon, allowing ease of access to the boat – from there we run boat trips on the picturesque River Avon.
